March 9. Whitehall.	160. Council of Trade to the King. Representation upon the petitions of John and Nicholas Hallam and Edward Palmes and John Hallam (Feb. 23). With regard to these complaints of the obstruction of justice in the Colony of Connecticut, we humbly conceive Your Majesty may fitly require the Government and Company of the Colony to take care that no such obstruction be allowed, but that all cases upon differences between man and man about private rights be fairly heard and judged in the proper methods of the Courts established in that colony, and that if any persons think themselves aggrieved by sentences there given, they may be allowed to appeal unto Your Majesty in Council, and that the copies of records and other proceedings in all such cases be transmitted hither in order to a final hearing, it being the inherent right of Your Majesty to receive and determine appeals from all Your Majesty's subjects in America. <i>Signed</i> , Tankerville, Ph. Meadows, Wm. Blathwayt, John Pollexfen, Abr. Hill. [<i>Board of Trade</i> . Proprieties, 25. pp. 355, 356.] [Now CO 5/1287, pp. 355, 356.]

[The consolidation of the subseries America and West Indies of Colonial Series with the subseries devoted to the East Indies (with additions in some volumes from China, Japan, and Persia) results in volume numbers in the series as reprinted being 5 greater than those found in the *Acts of the Privy Council Colonial Series*. The text of the calendar, reproduced above, is derived from the website British History Online (<http://www.british-history.ac.uk/>), which is publicly available.]
