[The consolidation of the subseries America and West Indies of Colonial Series with the subseries devoted to the East Indies (with additions in some volumes from China, Japan, and Persia) results in volume numbers in the series as reprinted being 5 greater than those found in the *Acts of the Privy Council Colonial Series*. The text of the calendar, reproduced above, is derived from the website British History Online (<http://www.british-history.ac.uk/>), which is publicly available. For that reason, the page references to the printed volume are broad, but the entry numbers are precise.]
